PROFILE

I am a motivated BSc Information technology student with a fortified foundation in software development, data science, computer hardware and embedded systems. I am experienced in building full-stack applications, working with microcontrollers to design complex systems, and leading and executing student initiatives. I am passionate about problem-solving, very eager to learn & grow in any environment I am in, especially in the exciting and fast-paced tech industry.

EDUCATION

North-West University

2023 - Present

Bachelor of Science in Information Technology (BSc I.T)

LEADERSHIP AND EXTRACURRICULAR ACTIVITIES

Health & Safety Officer

North-West University Student Campus Council Transformation & Diversity Office

2022 - 2023
